

Haritha Mohanavel

SUMMARY

Enthusiastic and highly motivated BCA student with a strong foundation in computer science and a passion for web development. Seeking an entry-level position in a company where I can launch my career and build a valuable skill set.

EXPERIENCE

1. Corizo, Bangalore — Full Stack Web Developer Intern

Sep 2023 - Nov 2023

Created a CRUD app that can store data as well as update and delete and a dynamic E-COMMERCE website.

- Implemented RESTful API endpoints to facilitate seamless communication between the front-end and back-end components of the application.
- Created and maintained a database schema, utilizing mongodb to store data securely.
- Worked with energy and enthusiasm and building motivation towards web development targets.
- Collaborated with a team of developers to deliver project milestones.
